2023 SUMMER CAMP

MOIRS POINT | 14 - 17 JAN

camp overview

The annual Glenrowan Summer Camp is here! Every year the camp gets bigger, better and more exciting, and with all this experience behind us we guarantee that the 2023 Summer Camp will surely be one for the history books! There is sure to be plenty of action, games and healthy competition with the best team taking home the coveted Summer Camp Trophy!

The camp also provides an opportunity to grow in skills such as teamwork, leadership and service and will be a great chance to meet new people from different cities and make a lot of new friends. Having pauses throughout each day, allows time for personal reflection and prayer. This will be reinforced by having talks about living the human virtues as well as daily Mass offered by the Centre's chaplain.

The camp will run from **Saturday 14th January to Tuesday 17th January** and is open to all high school aged boys entering Year 7 and above (in 2023). The cost of the camp is \$190 and covers the cost for all the activities. We never want anyone to miss out on the camp because of financial issues, so please get in touch if you would like to discuss this matter. This year it will be at Moirs Point Christian Campsite, Mangawhai Heads.
